Summary

Trainee Engineer with Almost one year of hands-on experience in software development. Proficient in Java, SQL, HTML, Css and Javascript, with a strong ability to develop and maintain robust software applications. Good problem-solving skills and attention to detail

Education

Meher degree college, Andhra University
Bachelor of Science in Mathematics

June 2018 - March 2022
visakhapatnam, Andhra Pradesh

Experience

Metricstream

June 2022-March 2023

Trainee Engineer

- Acquired expertise in Java, SQL, and JavaScript, focusing on critical areas like Packages, Roles, and Activities.
- Played a crucial role in design, development, and maintenance of sophisticated applications. Leveraged Java, JavaScript, and SQL to enhance product functionality, impacting client satisfaction and introducing innovative solutions.
- developed Infolets, Reports, Charts, and Dashboards, refining decision-making processes and elevating analytical capabilities of projects.
- Using HTML, CSS, and JavaScript expertise to develop intuitive and aesthetically pleasing user forms and reports, enhancing user interface and experience with functional and engaging solutions.
- Made substantive contributions throughout the product development lifecycle.
- Testing the Product before deploying into other environments

Projects

L&G(Legal & General) | GRC Modules,Java,Javascript,Product development

- Collaborated closely with the client to understand their specific requirements and translate into actionable development tasks.
- Developed and implemented features and functionalities within the Metricstream Product using Java and JavaScript, tailored to meet the client's needs.
- Creating Infolets, Reports, and Dashboards to effectively present critical data and insights to end-users, enhancing decision-making processes.
- Conducted rigorous testing of the modified product across different stages, ensuring compatibility, functionality, and performance in Dev, QA, Staging, UAT, and Production environments.
- Collaborated with cross-functional teams including developers, testers, and project managers to ensure project milestones were met and deliverables were aligned with client expectations.

Technical Skills

Languages: Java,HTML/CSS,Javascript,SQL

Developer Tools: VS Code,Eclipse IDE

Technologies/Frameworks: Linux,Jenkins,GitHub,Hibernate

Strengths

- Deliver high-quality software solutions with extensive technical knowledge and problem-solving skills.
- Committed to personal and professional growth by staying updated with the latest technological advancements.
- Successful collaboration within team environments, promoting open communication and collaborative problem-solving
